

PRAISE

Production was just like Dibley

Another great production from the Tynemouth Priory Theatre.

The Vicar of Dibley was excellent, truly amazing how all the actors just looked like their characters.

Once the vicar put on her cassock she just looked like Dawn French.

And Alice played her part exactly right.

Well done to every one of you.

The back stage crew certainly worked hard too.

The original Vicar of Dibley is not an easy act to follow but you all definitely pulled it off.

Congratulations!
